ISSUE QUESTIONNAIRE

1. Do you believe that state-imposed mandated health care benefits are one of the major cost drivers behind rising premiums for employers? Yes No
2. Should the legislature initiate review procedures to evaluate these mandates prior to forcing employers to absorb the cost of these potentially costly government mandates? Yes No
3. Should health insurance premiums paid for by employers be tax deductible? Yes No
4. Should individuals taking leave under the current Family and Medical Leave Act be compensated through unemployment compensation benefits from the state's trust fund? Yes No
5. Do you support public employee collective bargaining? Yes No
6. Do you support an increased mandatory minimum wage for Missouri? Yes No
7. Do you support "right to work" legislation? Missouri is currently a "union shop" state. "Right to work" legislation would allow employees to be free to join or not join a union and would eliminate unions forcing employees to pay union dues as a requirement for employment. Yes No
8. Should the state's corporate franchise tax be reduced or eliminated? Yes No
9. Please list the campaign issues you will stress in your bid for election to the Missouri General Assembly. Please also make any comments regarding your position on issues that you believe are important to employers.
Property Rights - more reforms for eminent domain, TIF, TDD, etc.
Open Government - update Sunshine law for more visibility
Limited Government + Taxes
10. Do you believe government regulation of Missouri business is (circle one):
 More restrictive than necessary About right Not restrictive enough to protect the public
