

Missouri Eagle Forum Candidate Questionnaire 2006

(You are welcome to call Missouri Eagle Forum for clarification on any question.)

YES **NO**

1. Education

- A. Will you oppose efforts by public school administrators or teachers to force parents to administer psychotropic drugs such as Ritalin to their children as a requirement for school attendance?
- B. Will you support teaching all theories of origins, including intelligent design (critical analysis) as well as evolution in science education courses in Missouri schools?
- C. Will you support a bill requiring teachers to receive a course in intensive systematic phonics instruction?
- D. Do you favor adopting abstinence-only curriculum in Missouri schools?
- E. Do you favor giving parents more control over their children's education through either school vouchers or scholarship tax credits?

2. Stem Cell Research

- A. Do you favor the use of adult stem cells as opposed to embryonic stem cells for research?
- B. Effectively, both reproductive cloning and therapeutic cloning result in cloned embryos. Do you oppose cloning human cells specifically for the purposes of harvesting embryonic stem cells?

3. Immigration

- A. Will you work to ensure that current federal immigration policies are enforced in the state of Missouri?
- B. Will you oppose policies that allow illegal immigrants to qualify for in-state tuition at Missouri Universities?
- C. Do you oppose allowing illegal immigrants to obtain state drivers' licenses?

4. The Role of Government

- A. Do you favor expanding the definition of minority groups to include sexual orientation?
- B. Will you oppose spending state funds to build or coordinate databases of medical, financial or insurance records, including registries of immunizations?
- C. Will you work to overturn or repeal Executive Orders that by-pass representative government?
- D. Recognizing that it is the role of the family—not the state—to raise children, will you work to diminish the state's involvement in childcare?

YES **NO**

 E. Will you oppose the use of eminent domain and public funds to support private projects? *Don't want!*

Benefit Harm F. Would an Equal Rights Amendment benefit or harm women? *HAVE VIRTUALLY NO EFFECT*

 G. Will you support the display of the 10 Commandments and other historical documents in public buildings?

 H. Will you oppose the expansion of gambling in Missouri?

 I. Missouri campaign finance laws are excessively restrictive. Will you work to allow citizens—as their right to free speech—to give monetary support to the candidate of their choice? *With public knowledge*

J. How do you propose to stop the growth of state government?
(Please use bottom of page.)
