## FRONT LINE CANDIDATE SURVEY

April 13, 2006

Dear Candidate,

This is a **VERY DIFFERENT** survey. Section I asks questions about principles- the ideas behind the issues. Instead of throwing just issues at you, we have concentrated more on the principles. Should you want further information about the principles section, note at the end of the survey in the box and we will send you a copy of a short presentation that covers a number of the principles.

*FRONT LINE* has been published since 1979 and is distributed in every county throughout Missouri. As our masthead states, "we provide information on issues of interest to Missourians...are nonpartisan ...and focus on those issues, events and news that do not always receive full discussion." We have surveyed candidates since the early 80s and today, over 1,000 individuals in the state are distributors. Many more thousands are mailed to interested citizens. Over the years hundreds of thousands of *FRONT LINES* have made their way into your neighbor's hands.

**SUGGESTION: Please fill this in TODAY** - by tomorrow it will be buried in the pile of things to do and you may well miss the **deadline of May 8<sup>th</sup>**. This is a self-mailer, so fold it over, sign your name on the back and print the necessary information on the front and mail to us ASAP! We will consider a no-response an indication that you do not want friends and neighbors to know what you think and believe. So, please return this to us immediately, **Be sure to tape closed!**

Sincerely yours,

Donna Hearne, Editor, *FRONT LINE*
