

MISSOURI CATHOLIC CONFERENCE
2006 CANDIDATE SURVEY
(CANDIDATES FOR STATE OFFICE)

Issue	Support	Oppose	No position
1. No Tax Dollars for Abortion -- Taxpayers' funds should not be used to provide or promote abortion nor should they be used to subsidize organizations that provide abortions.	X		
2. No Embryonic Stem Cell Research and Human Cloning --The Missouri constitution and state laws should not be amended to allow for embryonic stem cell research and human cloning, including somatic cell nuclear transfer (SCNT).		X	
3. Alternatives to Abortion -- State funds should be used to promote alternatives to abortion services provided by faith and community-based organizations.		X	no spending for either side
4. Access to Health Care -- State law should ensure access to basic health care regardless of ability to pay.			X
5. Provide Tax Relief for School Parents -- Public and private school parents should be eligible for tax deductions or credits for expenses incurred in educating their children.	Vouchers X		
6. Federal Immigration Enforcement -- Federal immigration laws and policies should be enforced by trained federal officials rather than local law enforcement officers.		X	local should ignore MS starts both
7. Death Penalty Moratorium -- There are sufficient questions about Missouri's death penalty that a moratorium should be enacted to review its fairness and effectiveness in protecting society.	X		
8. Alternatives to Incarceration -- Missouri should provide alternative sentencing options for offenders who do not pose a threat to public safety, rather than expanding prison capacity.	X		Eliminate victimless crimes
9. Health Care Rights of Conscience -- State law should allow health care providers to refuse to provide health care that conflicts with their religious or moral beliefs.	X		
10. Family Farm Assistance -- State agricultural programs should provide incentives and protections to smaller scale agriculture operations			X
